**ULTRAGRAIN PASTA® FOR SCHOOL FOODSERVICE—
THE REVOLUTIONARY PASTA MADE WITH ULTRAGRAIN WHOLE WHEAT FLOUR.**

Now available from Armour Specialty Marketing, this revolutionary pasta is made with Ultragrain Whole Wheat Flour. That's how Ultragrain Pasta works to deliver the taste, texture and appearance of white flour, along with the al dente bite of traditional pasta. In fact, Ultragrain Pasta combines proven student appeal with the benefits of whole grain nutrition. It features a mild flavor, smooth texture, and light color with no brown specks. In addition, it holds up well after cooking and provides a good source of fiber.

Ultragrain Pasta comes in six classic shapes: spaghetti, rotini, penne, elbows, lasagna and egg noodles. It's ideally suited for a wide range of pasta recipes, and serves as an excellent replacement for existing whole wheat pastas that are bitter, gritty or show visible specks. With Ultragrain Pasta, many students may not even realize they're eating a whole grain-rich food!
