

# Make <sup>at</sup> (least!) half your grains **whole**

Here are just a few of the many ways schools can take advantage of the Whole Grains Council. And, because we're an educational non-profit, all our services for schools are FREE!

- ✓ Enter the Whole Grains Challenge, an annual foodservice contest for schools
- ✓ Download our collection of kid-tested whole grain recipes for schools.
- ✓ Find whole grain products, with our extensive lists of over 4,300 products now using the Whole Grain Stamp.
- ✓ Download handouts and lesson plans for schools (including some in Spanish).
- ✓ Discover how you can use the Whole Grain Menu Symbol in your school.
- ✓ Access links, for the IOM School Meals report, the Healthier US School Challenge, and more – all in one convenient place!
- ✓ Find useful information on whole grains that you're welcome to "borrow" for parent newsletters and menus.
- ✓ Visit [WholeGrainsCouncil.org](http://WholeGrainsCouncil.org) today!

## The Whole Grains Council

Your one-stop resource for bringing more whole grains to your school
